Admission Requirements

1. During the family interview at least one parent must be able and willing to clearly articulate a saving relationship with Jesus Christ. Both parents should have a clear understanding of the biblical philosophy and functioning of Greenville Classical Academy. Both parents must read the Statement of Faith and accept that it constitutes the doctrinal beliefs of the school and agree to have their children taught in accordance with the Statement of Faith.
2. Each family is required to have their pastor (or similar church figure) submit a completed Pastoral Reference Form.
3. The parents must be willing to cooperate with the policies of the school board. This is most important in the areas of discipline and schoolwork.
4. Parents must understand the school's commitment to parental responsibility for their child's education. Greenville Classical Academy exists to assist parents in the task of educating their children, not to take over responsibility for the education of their children. Greenville Classical Academy requires parents to be very actively engaged and involved in the education of their children.
5. A child must reach the age of five (5) years by September 1st of the year in which he enters Kindergarten at Greenville Classical Academy.
6. Generally, a child who has not completed Kindergarten at Greenville Classical Academy must reach the age of six (6) years by September 1st of the year in which he enters first grade at Greenville Classical Academy.
7. Children entering subsequent grades will be admitted to a grade based on having successfully completed the previous grade at home or at another school and having performed satisfactorily on an Admissions Assessment Tests for the grade to which they are applying.
8. Academic portfolios and/or copies of standardized achievement test scores and recent report cards for each student that is applying must be submitted with the Application for Admission. As part of the application process and evaluation, Greenville Classical Academy will also examine the student's records and transcripts from previous schools attended.
9. New students will be assessed in Reading, Writing, Math, and Grammar to determine their academic readiness for the program at Greenville Classical Academy. Assessment results and prior records will be used to determine the suitability of the Greenville Classical program for the student's needs. Students who perform below the standards for entrance into a particular grade level may be recommended for placement in a lower grade.
10. The child should understand that his parents have delegated their authority to Greenville Classical Academy while the child is in school. He is therefore subject to the instruction and discipline of the teachers and staff while in school.

Greenville Classical Academy admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship programs, financial assistance and loan programs, athletic programs, and other school administered programs and activities.
